THE DESK

The news desk could not read its sources this morning

The almanac and The Family Minute are here as usual.
The news returns when the sources answer again.

None of the paper's sixteen news pages could be opened in this unattended run, so no headline is printed today. Nothing is written from memory. The almanac times below are computed for each city, and The Family Minute comes from the checked list.

The Daily Frequency desk, 21 Oct

Wave to the house, and off we're gone!
Today is Wednesday, hip hooray!
God morgon, world! Hej, hej, hej!

SVENSKA FOR TODAY
